I, the undersigned complainant state that the following is true and correct to the best of my knowledge and belief. On or about May 16, 2019 in Hidalgo County, in the Southern District of Texas defendant(s) did,

being then and there an alien, who had been previously **deported/removed** from the United States in pursuance of law, thereafter was found near McAllen, Texas knowingly, willfully and in violation of law gained illegal entry into the United States, the Attorney General of the United States and/or the Secretary of Homeland Security, not therefore having consented to a reapplication by the defendant for admission into the United States,

in violation of Title 8 United States Code, Section(s) 1326

I further state that I am a(n) Customs and Border Protection Officer and that this complaint is based on the following facts:

On May 16, 2019, Isaac CASTRO-Martinez, a citizen of Mexico was apprehended in McAllen, Texas during enforcement operations. The defendant admitted to entering the United States illegally by wading the Rio Grade River near the Rio Grande City Port of Entry. Record checks revealed the defendant was formally deported/removed from the United States on December 14, 2007 via the Del Rio, Texas Port of Entry. Records show no evidence exists of the defendant having obtained permission from the United States Attorney General or the Secretary of Homeland Security to re-enter the United States. On July 30, 2003 the defendant was convicted of possession with intent to distribute methamphetamine and was sentenced to 70 months incarceration.
